Section EB1: Pavilion (Rows 21, 23, 25, 27)

You **MUST SIT** in the seat designated for you via the Feedback area in the Grades section on eClass.

2. **Weight:** 45% (or 55%).
3. **Material covered:** The exam is cumulative and covers Modules 1-9. More emphasis on the concepts covered after the midterm.
4. **Format:** Multiple-choice (*about* 40 questions) and written (2-3), closed book. All necessary tables and a formula sheet will be provided. Copies of the tables and formula sheet are posted on the STAT 235 eClass website.

Bring a **non-programmable calculator**. Electronic equipment other than calculators cannot be brought into examination rooms and hats should not be worn. Any programmable and/or graphing calculators (such as TI-81, TI-82, TI-83) will be **confiscated** (only to be returned at the end of the examination) and, as such, you will be required to do the exam without a calculator. You are **not** allowed to share a calculator.

ALL pages (Scantron sheet, the exam booklet, the formula sheet, and the statistical tables) must be returned to the instructor or TA when you are done the exam. Copying questions or answers on paper to take from the exam room is prohibited.

Your student photo I.D. (OneCard) is required at exams to verify your identity. You must write the exam with your lecture section. Students will not be allowed to begin an examination after it has been in progress for 30 minutes. Students must remain in the exam room until at least 30 minutes has elapsed.

For multiple choice questions, Scantron sheets will be used and the instructions how to fill out the sheet are posted on eClass prior to the

exam. Please note that only the answers in the Scantron sheet will be considered for multiple choice. For written questions, show all your work because partial credit may be given in this part.

**Note:** All sections on eClass will be hidden by 12:30 on exam day. They will likely not be available again until Tuesday, December 19.
